4 Adjustments

4.1 Share Capitalisations.

- 4.1.1 Sub-Divisions. If after the date hereof, and subject to Section 4.6 below, the number of issued and outstanding Ordinary Shares is increased by a capitalisation or share bonus issue of Ordinary Shares, or by a sub-division of Ordinary Shares or other similar event, then, on the effective date of such share capitalisation, sub-division or similar event, the number of Ordinary Shares issuable on exercise of a Warrant shall be increased in proportion to such

increase in the issued and outstanding Ordinary Shares. A rights offering to holders of Ordinary Shares entitling holders to purchase Ordinary Shares at a price less than the “Historical Fair Market Value” (as defined below) shall be deemed a share dividend of a number of Ordinary Shares equal to the product of (i) the number of Ordinary Shares actually sold in such rights offering (or issuable under any other equity securities sold in such rights offering that are convertible into or exercisable for the Ordinary Shares) multiplied by (ii) one (1) minus the quotient of (x) the price per Ordinary Share paid in such rights offering divided by (y) the Historical Fair Market Value. For purposes of this subsection 4.1.1, (i) if the rights offering is for securities convertible into or exercisable for Ordinary Shares, in determining the price payable for Ordinary Shares, there shall be taken into account any consideration received for such rights, as well as any additional amount payable upon exercise or conversion and (ii) “**Historical Fair Market Value**” means the volume weighted average price of the Ordinary Shares during the ten (10) Trading Day period ending on the Trading Day prior to the first date on which the Ordinary Shares trade on the applicable exchange or in the applicable market, regular way, without the right to receive such rights. No Ordinary Shares shall be issued at less than their par value.

4.1.2 Extraordinary Dividends. If the Company, at any time while the Warrants are outstanding and unexpired, shall pay a dividend or other distribution in cash, securities or other assets, or any other distribution from the Escrow Account, to the holders of Ordinary Shares on account of such Ordinary Shares (or other shares into which the Warrants are convertible), other than: (a) as described in subsection 4.1.1 above; (b) Ordinary Cash Dividends (as defined below); (c) to satisfy the repurchase rights of the holders of the Ordinary Shares in connection with a proposed Business Combination; (d) to satisfy the repurchase rights of the holders of the Ordinary Shares in connection with a shareholder vote to amend the Company’s amended and restated memorandum and articles of incorporation, as amended from time to time (i) to modify the substance or timing of the Company’s obligation to allow repurchase in connection with the Company’s Business Combination or to repurchase 100% of the Company’s public shares if it does not complete its Business Combination by the Business Combination Deadline, or (ii) with respect to any other provision relating to shareholders’ rights or pre-Business Combination activity; or (e) in connection with the repurchase of public shares upon the failure of the Company to complete a Business Combination and any subsequent distribution of its assets upon its liquidation (any such non-excluded event being referred to herein as an “**Extraordinary Dividend**”), then the Warrant Price shall be decreased, effective immediately after the effective date of such Extraordinary Dividend, by the amount of cash and/or the fair market value (as determined by the Company’s board of directors (the “**Board**”), in good faith) of any securities or other assets paid on each Ordinary Share in respect of such Extraordinary Dividend. For purposes of this subsection 4.1.2, “**Ordinary Cash Dividends**” means any cash dividend or cash distribution which, when combined on a per share basis, with the per share amounts of all other cash dividends and cash distributions paid on the Ordinary Shares during the 365-day period ending on the date of declaration of such dividend or distribution (as adjusted to appropriately reflect any of the events referred to in other subsections of this Section 4 and excluding cash dividends or cash distributions that resulted in an adjustment to the Warrant Price or to the number of Ordinary Shares issuable on exercise of each Warrant) to the extent it does not exceed £0.50.

4.2 Aggregation of Shares. If after the date hereof, and subject to Section 4.6 below, the number

of issued and outstanding Ordinary Shares is decreased by a consolidation, combination, reverse share split or reclassification of Ordinary Shares or other similar event, then, on the effective date of such consolidation, combination, reverse share split, reclassification or similar event, the number of Ordinary Shares issuable on exercise of a Warrant shall be decreased in proportion to such decrease in issued and outstanding Ordinary Shares.

- 4.3 Adjustments in Warrant Price. Whenever the number of Ordinary Shares purchasable upon the exercise of a Warrant is adjusted, as provided in subsection 4.1.1 or Section 4.2 above, the Warrant Price shall be adjusted (to the nearest cent) by multiplying such Warrant Price immediately prior to such adjustment by a fraction (x) the numerator of which shall be the number of Ordinary Shares purchasable upon the exercise of a Warrant immediately prior to such adjustment, and (y) the denominator of which shall be the number of Ordinary Shares so purchasable immediately thereafter.
- 4.4 Raising of the Capital in Connection with the Business Combination. If (x) the Company issues additional Ordinary Shares or equity-linked securities for capital raising purposes in connection with the closing of its Business Combination at an issue price or effective issue price of less than £9.20 per Ordinary Share (with such issue price or effective issue price to be determined in good faith by the Board or such person or persons granted a power of attorney by the Board and, in the case of any such issuance to the Sponsor, the directors of the Company or its or their affiliates, without taking into account any Ordinary Shares held by the Sponsor, the directors of the Company or its or their affiliates, as applicable, prior to such issuance) (the “**Newly Issued Price**”), (y) the aggregate gross proceeds from such issuances represent more than 60% of the total equity proceeds, and interest thereon, available for the funding of the Company’s Business Combination on the date of the completion of the Company’s Business Combination (net of repurchase), and (z) the volume-weighted average trading price of Ordinary Shares during the twenty (20) Trading Day period starting on the Trading Day prior to the day on which the Company consummates its Business Combination (such price, the “**Market Value**”) is below £9.20 per Ordinary Share, the Warrant Price will be adjusted (to the nearest cent) to be equal to 115% of the higher of the Market Value and the Newly Issued Price, and the £10.00 per Ordinary Share redemption trigger price described in Section 6.1 and Section 6.2 will be adjusted (to the nearest cent) to be equal to 180% of the higher of the Market Value and the Newly Issued Price.
- 4.5 Replacement of Securities upon Reorganisation, etc. In case of any reclassification or reorganisation of the issued and outstanding Ordinary Shares (other than a change under Section 4.1 or Section 4.2 below or that solely affects the par value of such Ordinary Shares), or in the case of any merger or consolidation of the Company with or into another corporation (other than a consolidation or merger in which the Company is the continuing corporation and that does not result in any reclassification or reorganisation of the issued and outstanding Ordinary Shares), or in the case of any sale or conveyance to another corporation or entity of the assets or other property of the Company as an entirety or substantially as an entirety in connection with which the Company is dissolved, the holders of the Warrants shall thereafter have the right to purchase and receive in lieu of the Ordinary Shares of the Company immediately theretofore purchasable and receivable upon the exercise of a Warrant, the kind and amount of shares or stock or other securities or property (including cash) receivable upon such reclassification, reorganisation, merger or consolidation, or upon a dissolution following any such sale or transfer, that the holder of

the Warrants would have received if such holder had exercised his, her or its Warrant(s) immediately prior to such event (the “**Alternative Issuance**”) and any terms and conditions of the Warrant T&Cs shall apply *mutatis mutandis* to such Alternative Issuance; provided, however, that (i) if the holders of the Ordinary Shares were entitled to exercise a right of election as to the kind or amount of securities, cash or other assets receivable upon such consolidation or merger, then the kind and amount of securities, cash or other assets constituting the Alternative Issuance for which each Warrant shall become exercisable shall be deemed to be the weighted average of the kind and amount received per share by the holders of the Ordinary Shares in such consolidation or merger that affirmatively make such election, and (ii) if a tender, exchange or repurchase offer shall have been made to and accepted by the holders of the Ordinary Shares (other than a tender, exchange or repurchase offer made by the Company in connection with repurchase rights held by shareholders of the Company as provided for in the Company’s amended and restated memorandum and articles of incorporation, as amended from time to time) under circumstances in which, upon completion of such tender or exchange offer, the party (and any persons acting in concert with such party within the meaning of the Dutch Financial Supervision Act) instigating such tender or exchange offer owns more than 50% of the issued and outstanding Ordinary Shares, the holder of a Warrant shall be entitled to receive as the Alternative Issuance, the highest amount of cash, securities or other property to which such holder would actually have been entitled as a shareholder if such holder of a Warrant had exercised a Warrant prior to the expiration of such tender or exchange offer, accepted such offer and all of the Ordinary Shares held by such holder had been purchased pursuant to such tender or exchange offer, subject to adjustments (from and after the completion of such tender or exchange offer) as nearly equivalent as possible to the adjustments provided for in this Section 4; provided further that if less than 70% of the consideration receivable by the holders of the Ordinary Shares in the applicable event is payable in the form of shares in the successor entity that is listed and traded on a regulated market or multilateral trading facility in the European Economic Area or the United Kingdom immediately following such event, and if the Registered Holder properly exercises the Warrant within thirty (30) days following the public disclosure of the completion of such applicable event by the Company, the Warrant Price shall be reduced by an amount (in pounds sterling) equal to the difference of (i) the Warrant Price in effect prior to such reduction minus (ii) (A) the per Ordinary Share consideration (but in no event less than zero) minus (B) the Black-Scholes Warrant Value (as defined in these Warrant T&Cs).

- 4.6 Other Events. In case any event shall occur affecting the Company as to which none of the provisions of the preceding subsections of this Section 4 are strictly applicable, but which would require an adjustment to the terms of the Warrants in order to (i) avoid an adverse impact on the Warrants and (ii) effectuate the intent and purpose of this Section 4, then, in each such case, the Company shall appoint a firm of independent public accountants, investment banking or other appraisal firm of recognised national standing, which shall give its opinion as to whether or not any adjustment to the rights represented by the Warrants is necessary to effectuate the intent and purpose of this Section 4 and, if they determine that an adjustment is necessary, the terms of such adjustment provided, however, that under no circumstances shall the Warrants be adjusted pursuant to this Section 4.8 as a result of any issuance of securities in connection with a Business Combination. The Company shall adjust the terms of the Warrants in a manner that is consistent with any adjustment recommended

in such opinion.

- 4.7 Notices of Changes in Warrant. Upon every adjustment of the Warrant Price or the number of Ordinary Shares issuable upon exercise of a Warrant, the Company shall give written notice thereof to the Warrant Agent, which notice shall state the Warrant Price resulting from such adjustment and the increase or decrease, if any, in the number of Ordinary Shares purchasable at such price upon the exercise of a Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based. Upon the occurrence of any event specified in Section 4, the Company shall give written notice of the occurrence of such event to each holder of a Warrant by way of a press release of the record date or the effective date of the event. Failure to publish such a press release, or any defect therein, shall not affect the legality or validity of such event.

5 **Transfer and Exchange of Warrants**

- 5.1 Registration of Transfer. The Warrant Agent shall register the transfer, from time to time, of any outstanding Warrant upon the Warrant Register, upon surrender of such Warrant for transfer, properly endorsed with signatures properly guaranteed and accompanied by appropriate instructions for transfer.
- 5.2 Procedure for Surrender of Warrants. Warrants may be surrendered to the Warrant Agent, together with a written request (in any electronic form, such as PDF) for exchange or transfer, and thereupon the Warrant Agent shall issue in exchange therefor one or more new Warrants as requested by the Registered Holder of the Warrants so surrendered, representing an equal aggregate number of Warrants; provided, however, that each Book-Entry Interest may be transferred only in accordance with the provisions of the Dutch Securities Giro Act.
- 5.3 Fractional Warrants. The Warrant Agent shall not be required to effect any registration of transfer or exchange which shall result in the issuance of a fraction of a Warrant.
- 5.4 Service Charges. No service charge shall be made by the Company for any exchange or registration of transfer of Warrants. The Warrant Agent may charge costs to financial intermediaries, and financial intermediaries processing the conversion may charge costs to Registered Holders directly. Such charges will depend on the terms in effect between the Warrant Agent and the relevant financial intermediary, and between the Registered Holder and such financial intermediary.

6 **Redemption**

- 6.1 Redemption of Warrants for Ordinary Shares. Subject to the provisions of Section 6.5 below, not less than all of the outstanding Warrants may be redeemed, in whole and not in part, at the option of the Company, at a date during the Exercise Period which is 12 months following the completion of the Business Combination, at the office of the Warrant Agent, upon notice of the Registered Holders of the Warrants, as described in Section 6.3 below, provided that (a) the Reference Value equals or exceeds £10.00 per Ordinary Share (subject to adjustments in compliance with the provisions of in Section 4 above) and (b) there is a valid prospectus or a valid exemption from the obligation to publish a prospectus pursuant to the Prospectus Regulation covering the issuance of the Ordinary Shares issuable upon exercise of Warrants. The number of Ordinary Shares received by the Warrant Holders shall be determined by reference to the table set out below (the “**Redemption Consideration**”), based on the redemption date and the “fair market value” of the Ordinary Shares (as described below) and the number of months that the corresponding redemption date precedes

the expiration date of the Warrants, except as otherwise provided herein. The “**fair market value**” shall mean the volume-weighted average price of the Ordinary Shares for the 10 Trading Days ending on the third Trading Day prior to the date on which the Company publishes the notice of redemption given by the Company pursuant to Section 6.3 below. The Company shall determine and publish the fair market value in the notice of redemption given by the Company pursuant to Section 6.3 below.

The share prices set out in the column headings of the table above will be adjusted as of any date on which the number of Ordinary Shares issuable upon exercise of a Warrant or the Warrant Price of a Warrant is adjusted as set out under Section 4 above. If the number of Ordinary Shares issuable upon exercise of a Warrant is adjusted, the adjusted share prices in the column headings will equal the share prices immediately prior to such adjustment, multiplied by a fraction, the numerator of which is the number of Ordinary Shares deliverable upon exercise of a Warrant immediately prior to such adjustment and the

denominator of which is the number of Ordinary Shares deliverable upon exercise of a Warrant as so adjusted. The number of Ordinary Shares in the table above shall be adjusted in the same manner and at the same time as the number of Ordinary Shares issuable upon exercise of a Warrant. If the Warrant Price of a Warrant is adjusted, (i) in the case of an adjustment pursuant to the issuance of equity linked securities in a capital raising in connection with the Business Combination as described in Section 4 above, the adjusted share prices in the column headings will equal the unadjusted share price multiplied by a fraction, the numerator of which is the higher of the Market Value and the Newly Issued Price (each as defined below) and the denominator of which is £10.00 and (ii) in the case of an adjustment due to the fact that the Company has made a dividend or distribution available as described in Section 4 above, the adjusted share prices in the column headings will equal the unadjusted share price less the decrease in the Warrant Price of a Warrant pursuant to such Warrant Price adjustment.

The exact fair market value and redemption date may not be set out in the table above, in which case, if the fair market value is between two values in the table or the redemption date is between two redemption dates in the table, the number of Ordinary Shares to be issued for each Warrant will be determined by a straight-line interpolation between the number of shares set out for the higher and lower fair market values and the earlier and later redemption dates, as applicable, based on a 365- or 366-day year, as applicable.

- 6.2 No Redemption of Warrant for Cash. Each holder of Warrants may also elect not to receive their entitlement to Ordinary Shares if they wish during the 30-day Notice Period. If a holder of Warrants makes such election, such holder of Warrants shall not be entitled to receive any consideration in respect of the redemption of such Warrants as the Warrants are only capable of being redeemed on a cashless basis in accordance with Section 6.1 above.
- 6.3 Date Fixed for, and Notice of, Redemption: . In the event that the Company elects to redeem the Warrants pursuant to Section 6.1, the Company shall fix a date for the redemption at any time from the date commencing twelve (12) months following completion of the Business Combination (the “**Redemption Date**”). Notice of redemption shall be published by press release not less than thirty (30) days prior to the Redemption Date (the “**30-day Redemption Period**”). Any notice published in the manner herein provided shall be conclusively presumed to have been duly given whether or not holder of Warrants seen such notice. As used in these Warrant T&Cs, “**Reference Value**” shall mean the last reported sales price of the Ordinary Shares for any twenty (20) Trading Days within the thirty (30) Trading-Day period ending on the third Trading Day prior to the date on which notice of the redemption is given.
- 6.4 Exercise After Notice of Redemption. The Warrants may be exercised, for cash at any time after notice of redemption shall have been given by the Company pursuant to the provisions of Section 6.3 above and prior to the Redemption Date. On and after the Redemption Date, the holder of the Warrants shall have no further rights except to receive, upon surrender of the Warrants, the Redemption Consideration.
- 6.5 Exclusion of Sponsor Warrants and Public Warrants held by the Sponsor or its Permitted Transferees. The Company agrees that it shall not be entitled to unilaterally force the redemption of the Sponsor Warrants or the Public Warrants held by the Sponsor or its Permitted Transferees if at the time of the redemption such Sponsor Warrants or Public Warrants continue to be held by the Sponsor or its Permitted Transferees and, in such event,

the Sponsor (or any of its Permitted Transferees) may elect by notice to the Company prior to the expiration of the 30-day Redemption Period to have its Sponsor Warrants or Public Warrants redeemed concurrently with, and on the same terms of the other Warrants so called for redemption pursuant to this Section 6. However, once such Sponsor Warrants or Public Warrants are transferred (other than to Permitted Transferees in accordance with the provisions of Section 2.6 above), the Company may redeem the Sponsor Warrants or Public Warrants pursuant to Section 6.1 above, provided that the criteria for redemption are met, including the opportunity of the holder of such Sponsor Warrants or Public Warrants to exercise the Sponsor Warrants or Public Warrants prior to redemption pursuant to the provisions of Section 6.4 above. Sponsor Warrants that are transferred to persons other than Permitted Transferees shall upon such transfer cease to be Sponsor Warrants and shall become Public Warrants under these Warrant T&Cs.

- 6.6 Securities other than an Ordinary Share. If, at the time of redemption, the Warrants are exercisable for a security other than an Ordinary Share pursuant to these Warrant T&Cs (for instance, if the Company is not the surviving company after the Business Combination), the Warrants may be exercised for such security. References in this Section 6 to Ordinary Shares shall include a share other than an Ordinary Share into which the Ordinary Shares have been converted, exchanged, merged or amalgamated in the event the Company is not the surviving company after the Business Combination. The numbers in the Redemption Consideration table will not be adjusted when determining the number of Ordinary Shares to be issued or delivered upon exercise of the Warrants if the Company is not the surviving entity after the Business Combination.
- 6.7 No Fractional Shares. Notwithstanding any provision contained in these Warrant T&Cs to the contrary, the Company shall not issue fractional shares upon the redemption of Warrants. If, by reason of the redemption pursuant to this Section 6, the holder of any Warrants would be entitled, upon the redemption of such Warrants, to receive a fractional interest in an Ordinary Share, the Company shall, upon such exercise, round down to the nearest whole number the number of Ordinary Shares to be issued to such holder.
- 6.8 Reservation of Ordinary Shares. The Company shall at all times reserve and keep available a number of its authorised but unissued Ordinary Shares that shall be sufficient to permit the exercise in full of all outstanding Warrants issued pursuant to these Warrant T&Cs.

7 No Rights as Shareholder

A Warrant does not entitle the Registered Holder of such Warrants to any of the rights of a shareholder of the Company, including, without limitation, the right to receive dividends, or other distributions, exercise any pre-emptive rights to vote or to consent or to receive notice as shareholders in respect of the meetings of shareholders or the election of directors of the Company or any other matter.

8 Applicable Law and Jurisdiction

These Warrant T&Cs and any non-contractual obligations arising from or in connection with it, are governed by and should be construed in accordance with the laws of the Netherlands. Jurisdiction. The courts of Amsterdam, the Netherlands, shall have exclusive jurisdiction to settle any dispute which may arise out of or in connection with these Warrant T&Cs and accordingly any legal action or proceedings arising out of or in connection with these Warrant T&Cs (the "Proceedings") may be brought in such courts. The Company and the

Warrant Agent hereby irrevocably submit to the jurisdiction of such courts and waive any objection to Proceedings in such courts whether on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum.

- 9.2 A resolution of the Board of the Company to amend the terms of the Warrants or Sponsor Warrants which has the effect of reducing the rights attributable to Warrant Holders, is subject to approval of the meeting of holders of Warrants in accordance with the Company's amended and restated articles of incorporation, as amended from time to time.
